

## Wanner Mennonite Church

**LENT 2:** Sunday March 13    **From Fear to Compassion**    Luke 13:31-35; Philippians 3:17- 4:1  
Speaker: Dawne Driedger

**IN PERSON WORSHIP SERVICE @ 11 am**  
or join us on Zoom. The link is [here](#).

Worship Leaders: Dennis Flaming, Rebecca Satory  
Accompanist: Karen Haack

Our theme for Lent is “Seeking God’s Ways.” Lent is a time to repent – to turn from our ways and recommit ourselves to the ways of God as revealed in Jesus. As we reflect on the Lenten scripture readings we realize that they reveal truth about the ways of God, as well as the ways God’s people get it wrong. And so, we will be invited to consider how we might think God offers one thing but what God really offers can look quite different. Our hope is that within this theme of “seeking God’s ways” we will discover space and encouragement to grow more and more faithful to Jesus.

Following the Worship Service there will be Discussion in person as well as on Zoom. The link is [here](#).

**The Wanner Worship Ministry** is interested in continuing to explore new ways to worship God together, as we did several times last year. We would welcome your ideas and participation in crafting worship services that speak to people of all ages and experiences. Please contact Janice at any time with your suggestions.

**The Spiritual Care Ministry** would like to have everyone in the congregation sharing the responsibility of connecting with others. Feel free to take it upon yourself to "shower" others with a card or email (or a phone call) with words of encouragement or a birthday/anniversary greeting or just a few words to let them know someone is thinking of them. *Dennis, on behalf of the Wanner Spiritual Care Ministry*

## RE-OPENING PROTOCOLS

- All will sign in upon arrival and sanitize your hands.
- Wear a medical mask at all times while in the building.
- Keep a social distance of six feet apart in the gathering area and sanctuary.
- Some windows in the church will be open for air changes and so wearing your coat in the sanctuary could be helpful.
- For the continued good health and safety of everyone, we will refrain from singing for the time being.

### **Boundaries Class**

After worship today in Faith Formation (starting promptly at 12:15 and ending promptly at 1:15), we're tackling the third of 9 sessions of *Boundaries*, which addresses the idea that each person has a set of things for which we are individually responsible, and that there are other things for which others (not us) are responsible. When we take responsibility that rightfully belongs to others, they often feel disrespected and disempowered, whether they are able to articulate that or not. And when we fail to take responsibility that rightfully belongs to us, we effectively offload that responsibility onto those around us, who again, easily feel disrespected and imposed upon. Healthy boundaries make fulfilling relationships much easier. Unhealthy boundaries predispose us to unhappy relationships. But how can we get from unhealthy boundaries to healthy ones? How can we even identify healthy and unhealthy boundaries?

For maximum benefit, please be sure to have read the first two sessions in the Participant's Guide and done the work in the shaded areas of pages 14, 18-19, 22, 33, and 38.

We still have two extra copies of the Participant's Guide books available. Let us know if you'd like one. Please feel free to participate even if you missed last week or don't have or want a participant's guide, whether in person or by Zoom. And if you have any questions, please call or text us at 226-341-6706 (local call for Cambridge) or 226-350-6215 or email us at [dawne.ken.pwchurches@gmail.com](mailto:dawne.ken.pwchurches@gmail.com).

We will be taking our first quarterly Sunday off next Sunday, March 20, so there will be no *Boundaries* class then; we'll resume on March 27 with Session 4.

**Tenth Anniversary of Wanner Woods:** the first trees were planted in Wanner Woods ten years ago (2012). I am marking the occasion with:

- 1) Transplanting another 60 trees. This includes the last 20 we purchased from GRCA and 40 "volunteers" (seeded from neighbouring mature trees).
- 2) If you purchased and/or planted trees in 2012 (or later), I probably know where they are.  
If you want to visit them I will be happy to find them for you.

Email me if you would like to help plant (early April), or visit your tree(s) after mid-April.
