**Thank you** to all who provided feedback for our pastoral reviews. Both positive and constructive feedback was compiled and shared with each pastor. Since feedback was anonymous, the pastors encourage you to reach out to them personally if you would like to discuss your feedback in greater detail. This will help them to have a better understanding of how they can meet the needs of the congregation as they pastor. - from PCRC

Last Sunday, we started using **permanent name tags**. This is an attempt to get to know each other's names. Conversation is so much easier when we can call people by name.
